## PROVINCIAL TREASURY

The Eastern Cape Provincial Treasury urges all suppliers, who have not yet registered on the National Treasury Central Supplier Database (CSD) to do so as a matter of urgency. The CSD is a self-registration process, which can be completed online at [www.csd.gov.za](http://www.csd.gov.za).

Contracted suppliers will not be able to receive orders or payments unless registered on the CSD.

Suppliers are encouraged to check their banking details verification after registering on the CSD and ensure that the banking details are appearing on the CSD report as validated.

Suppliers are similarly encouraged to register and/or update their information on CSD.

Suppliers are welcome to visit the Provincial Treasury Helpdesk for assistance with registration, especially those that do not have access to a computer and/or internet.

## CSD- FREQUENTLY ASKED QUESTIONS AND ANSWERS

### 1. Supplier(s) that cannot login on CSD

Questions (What can I do)	Answers
i. I have forgotten my password.	Click on Login/Forgot Password/Put in Email Address/Select OTP SMS Option (2 <sup>nd</sup> Option) <b>or</b> Click on Login/Forgot Password/Put in Email Address/Select Email Option (1 <sup>st</sup> Option) an email link to reset password.

### 2. Supplier Banking Details Failed

Questions (What can I do)	Answers
<b>Banking Details Failed</b> i. <b>Incorrect Company Name/Surname</b>	<p>When you get this error message, it means what you have Captured on CSD under <b>Bank/Account Holder Name</b> is not the same as what the Bank has, For Example my company is <b>CSD TRADING (PTY) LTD</b> and the bank has written it as such on their System but when you put it on CSD under account holder name and you just type <b>CSD TRADING</b> it will return the "Bank Verification Failed error message and the reason will be incorrect company name or surname.</p> <p>If the name of the company is, too long (e.g. <b>MASIBAMBISANENI BAFAZI TRADING AND PROJECT PRIMARY COOPERATIVE LIMITED</b>). There are high chances that this name will fail even if you included exactly as it is in the bank letter, so we advise Supplier to visit bank and request a screenshot of banking system to verify if how is it written in the banking system. The following are the systems used by various banks.</p> <ul style="list-style-type: none"> <li>i. FNB – HOGAN</li> <li>ii. NEDBANK – BANKING PLATFORM</li> <li>iii. ABSA – CIF SCREEN</li> <li>iv. STANDARD BANK – BANKING LOOKUP SCREEN</li> </ul>

ii. <b>Incorrect ID or company registration number</b>	Supplier should ensure that their bank account is Active meaning it is not a <b>reserved account</b> because CSD does not verify <b>Reserved Accounts</b> . Supplier should ensure that the <b>ID</b> and the <b>Company Registration Number</b> is linked to the <b>Account Number</b> .
